CHORUS STARTS THE SONG

It's gonna take all of us to heal this world
it's gonna take all of us to make a change
all of us can heal this world
it's gonna take all of us to make a change

VERSE 1

(spoken)

So many distractions in the world to-day,
fill-ing up our minds make us look the other way,
ev'ryone's tryin' just to get ahead,
but at the cost of the planet yeah she's in the red,
well stand up, stand up and shout out

(sung)

'cause all of it's gonna just fade away,
caring for our home is the only way,
you are the key who can make a change.

CHORUS

It's gonna take all of us to heal this world it's gonna take all of us to make a change all of us can heal this world
it's gonna take all of us to make a change

VERSE 2

(spoken)

We have everything we need to heal the world right now believe believe we have the ultimate power, small
children's voices hear them loud and clear, feelin 'the love they don't know fear, let's embrace what we're all born
with

(sung)

*The power to love the power to give, be at one with the mother one with evry-thing, come on good people let me
hear you sing.*

CHORUS

It's gonna take all of us to heal this world it's gonna take all of us to make a change, all of us can heal this world it's
gonna take all of us to make a

BRIDGE

Change for me and you your brother and your sister too change, change for me and you your brother and your
sister too change for me and you your brother and your sister too,

VERSE 3

(spoken)

The time is now today's the day we really can't afford to look the other way, there's nowhere to hide

(sung)

and nothing's gonna change if we're in denial

(spoken)

Cause life's no trial, one shot is all we got, one world,

(sung)

one chance, one love, one dance

CHORUS

It's gonna take all of us to heal this world it's gonna take all of us to make a change all of us can heal this world

it's gonna take all of us

It's gonna take all of us to heal this world it's gonna take all of us to make a change all of us can heal this world it's

gonna take all of us, all of us living in the world
